

**TIGRESS**  
**DRAGON DRUMMING**  
The Alluring Beat of Seduction

*Have you always wanted to drum and feel like you have rhythm inside you that wants to come out and play?*

*Is there something about drumming that's 'right there' but you can't reach it on your own?*

This exclusive series of 6 drum classes with Master Drummer Shyena Venice will not only give you the basics of drumming, it will take you into the deep rhythms of life.

Tigress Dragon Drumming will show men how to hone their intuitions and sensitivity and show women how to strengthen their creative instincts - *through the drum.*

You will...

- learn to coordinate your hands and body with the drum
- practice caring for the skin and finding out the drum that's right for you
- start by learning how to hold simple rhythms
- and then, when you are ready, how to play your rhythms in synch with the group
- for those who can hold more complex beats, you will learn to direct the energy of your group

Classes are Tuesdays in February & March, beginning February 15th (Women 6pm to 8pm / Men 8:15 pm to 10:15pm)

Series of 6 Classes: \$149 / 3 Classes: \$99 / 1 Class: \$35
